DEEPLOK FINANCIAL SERVICES LIMITED

Report on the Audit of the Ind-AS Standalone Financial Statements

#### Opinion

We have audited the Ind-AS Standalone financial statements of DEEPLOK FINANCIAL SERVICES LIMITED ("the Company"), which comprise the Standalone Balance Sheet as at 31st March 2024, and the Standalone statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone statement of cash flows for the year then ended, and notes to the Ind-AS Standalone financial statements, including a summary of Material accounting policies and other explanatory information (hereinafter referred to as "the Ind-AS Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind-AS Standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and profit for the year, and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind-AS Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind-AS Standalone financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we

have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key audit matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Information other than the Ind AS Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Return but does not include the Ind AS Standalone Financial Statements and our Auditor's report thereon.

Our opinion on the Ind AS Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Management's Responsibility for the Ind-AS Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind-AS Standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate

implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind-AS Standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind-AS Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Ind-AS Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Ind AS Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of the material misstatement of the Ind AS financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS Standalone Financial Statements, including the disclosures, and whether the Ind AS Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure - A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of accounts.
  - d) In our opinion, the aforesaid Ind-AS Standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015 as amended.
  - e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on the financial position in its standalone financial statements [*Refer Note No. 24(1) to its Standalone Financial Statements*]
    - ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses:
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

## Continuation Sheet

(A) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(B) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(C) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (A) and (B) above, contain any material misstatement.

- iv. The Company has neither declared nor paid any dividend during the year.
- v. The company has used such accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software and the audit trail feature has not been tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.

As provision to Rule 3(1) of the Companies (Accounts) Rules, 2014 is Applicable from April 1, 2023, reporting under Rule 11 (g) of the Companies (Audit & Auditors) Rules, 2014 on presentation of Audit Trail as per statutory requirement for record retention is not applicable for the financial year ended March 31, 2024.

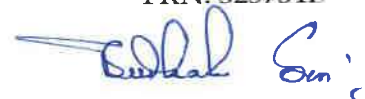

3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act.

ANNEXURE A" TO THE INDEPENDENT AUDITORS' REPORT

The Annexure A referred to in paragraph 1 under the heading 'Report on Other Legal & Regulatory Requirements' of our report of even date to the Ind-AS financial statements of the Company for the year ended March 31, 2024, we report that:

(i) a)(A) The company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment;

(B) The Company does not have any intangible assets. Hence, clause (a)(B) of Paragraph 3(i) of the Order is not applicable to the Company.

b) The Property, plant and equipment have been physically verified by the management at reasonable intervals. In our opinion, the periodicity of the physical verification is reasonable having regard to the size of the Company and the nature of its assets and no material discrepancies were noticed on such verification.

c) Based on our audit procedure and the information and explanations given to us by the management, the title deeds of all immovable properties disclosed in financial statements are held in the name of the company as at the Balance Sheet date.

d) The Company has not revalued its Property, Plant and Equipment during the year. Hence, clause (d) of Paragraph 3(i) of the Order is not applicable to the Company.

e) According to the information and explanations given to us and the records of the company examined by us, no proceeding have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

(ii) (a) According to the information and explanations given to us and the records of the company examined by us, the inventories held by the company include stock of shares and securities in dematerialized form; accordingly, the reporting under Paragraph 3 (ii)(a) of the said Order is not applicable to the company.

- (b) According to the information and explanations given to us and on the basis of our examination of the records, the company has not been sanctioned any working capital limit from banks or financial institutions on the basis of security of current assets. Hence, sub- clause (b) of Paragraph 3 (ii)(b) of the said Order is not applicable to the Company.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has made Investments in, and granted loans or advances in nature of unsecured loans during the year to companies, firms, limited liability partnerships or any other parties. The Company has not provided any guarantee or security to companies, firms, limited liability partnerships or any other parties during the year.
- a) Based upon the audit procedures performed and the information and explanations given by the management, the principal business of the company is to give loans, hence reporting under paragraph 3 (iii)(a) of the Order is not applicable to the Company.
- b) Based upon the audit procedures performed and the information and explanations given by the management, the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided are not prejudicial to the company's interest.
- c) Based upon the audit procedures performed and the information and explanations given by the management, in respect of loans granted schedule of repayment of principal and payment of interest has been stipulated and there are regular receipts.
- d) Based upon the audit procedures performed and the information and explanations given by the management, in respect of the loans granted, there is no overdue amount for more than ninety days, so reporting under this relevant clause of the order is not applicable..
- e) Based upon the audit procedures performed and the information and explanations given by the management, the principal business of the company is to give loans, hence reporting under paragraph 3 (iii)(e) of the Order is not applicable to the Company.
- f) Based upon the audit procedures performed and the information and explanations given by the management, the company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.

- (iv) In our opinion and according to the information and explanations given to us, the company has not granted any loan and providing guarantees and securities under section 185 of the Companies Act, 2013. The company is a Non-Banking Financial Institution, hence the provisions under section 186 of Companies Act, 2013 with regard to Loan and Investment are not applicable to the Company.
- (v) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) As informed to us, the Central Government has not prescribed maintenance of cost records under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the Company. Thus, paragraph 3(vi) of the Order is not applicable to the Company.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Income-tax, Goods and Services Tax and other material statutory dues, as applicable have been regularly deposited during the year by the Company with the appropriate authorities and there are no arrear of undisputed statutory dues as at March 31,2024 for a period of more than six months from the date on when they become payable.
- (b) According to the information and explanations given to us, there are no dues of Income-tax, Goods and Services Tax and other material statutory dues which have not been deposited as on 31st March, 2024 with appropriate authorities on account of any dispute except the following:

Name of Statute	Nature of Dues	Principal Amount under dispute (Rs. in Lakhs)	Period to which amount relates	Forum where Dispute is Pending
Income Tax Act, 1961	Income Tax	1.29	A.Y. 2017-18	Commissioner of Income Tax (Appeals) – Kolkata II

- (viii) According to the information and explanations given to us and based on our examination of the books of accounts and other records, the company does not have any transactions unrecorded in the books of account and which were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961. Hence reporting of other information under clause 3 (viii) of the said Order is not required.
- (ix) a) Based upon the audit procedures performed and the information and explanations given by the management, the company has not taken any loans or other borrowings from lenders. Hence, reporting of information w.r.t. default on account of repayment of loan or interest under clause 3 (ix) (a) of the said Order is not applicable.
- b) Based upon the audit procedures performed and the information and explanations given by the management, the company has not been declared as a willful defaulter by any bank or financial institutions or other lender. Hence reporting of information under clause 3 (ix) (b) of the said Order is not applicable.
- c) Based upon the audit procedures performed and the information and explanations given by the management, as mentioned in (ix)(a) above, the company not taken any loans or other borrowings from lenders. Hence, reporting of information w.r.t. utilization & diversion of fund under clause 3 (ix) (c) of the said Order is not applicable.
- d) As mentioned in (ix)(a) above, the company not taken any loans or other borrowings from lenders. Hence, reporting of information whether funds raised on short term basis have been utilized for long term purposes under clause 3 (ix) (d) of the said Order is not applicable.
- e) According to the information and explanations given to us and based on our examination of the other records, the company has not taken any fund from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint venture. Hence reporting of information under clause 3 (ix) (e) of the said Order is not applicable.
- f) Based upon the audit procedures performed and the information and explanations given by the management, we report that the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Hence, reporting of other information under clause 3 (ix) (f) of the said Order is not applicable.
- (x) a) Based upon the audit procedures performed and the information and explanations given by the management, the Company has not raised any monies by way of initial public offer or further public offer (including debt instruments) during the year. Hence, paragraph 3(x)(a) of the Order is not applicable to the Company.

- b) Based upon the audit procedures performed and the information and explanations given by the management, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the reporting under Paragraph 3 (x)(b) of the Order is not applicable to the Company.
- (xi) a) Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the company by its officers or employees has been noticed or reported during the year.
- b) Based upon the audit procedures performed and the information and explanations given by the management, no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and upto the date of this report.
- c) Based upon the audit procedures performed and the information and explanations given by the management, there have been no whistle blower complaints received by the Company during the year.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Therefore, the reporting under Paragraph 3 (xii) of the Order is not applicable to the Company.
- (xiii) Based upon the audit procedures performed and the information and explanations given by, the management, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Ind-AS Financial Statements as required by the applicable accounting standards.
- (xiv) a) Based upon the audit procedures performed and the information and explanations given by the management, the Company has an internal audit system commensurate with the nature and size of the business.
- b) We have considered the internal audit report for the year under audit, issued to the company till date. In determining the nature, timing and extent of our audit procedures.
- (xv) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him as per the provisions of Sec 192 of the Companies Act, 2013. Accordingly, the reporting under Paragraph 3 (xv) of the Order is not applicable to the Company.

- (xvi) a) According to the information and explanations provided to us and based on our examination of records of the Company, the company is required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and such registration has been obtained.
- b) Based upon the audit procedures performed and the information and explanations given by the management, the Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- c) Based upon the audit procedures performed and the information and explanations given by the management, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Hence, reporting under Paragraph 3 (xvi)(c) of the Order is not applicable to the Company.
- d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and hence reporting under Paragraph 3 (xvi)(d) is not applicable.
- (xvii) Based upon the audit procedures performed and the information and explanations given by the management, the Company has not incurred any cash losses during the current period and immediately preceding financial year.
- (xviii) Based upon the audit procedures performed and the information and explanations given by the management, there has been no resignation of the statutory auditors during the year. Hence, reporting under Paragraph 3 (xviii) of the Order is not applicable to the Company.
- (xix) Based According to the information and explanations given to us and on the basis of financial ratios, ageing and expected dates of realizations of financial assets and payment of the financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the company as and when they fall due.

**Continuation Sheet**

- (xx) a) Based upon the audit procedures performed and the information and explanations given by the management, the Company does not have any unspent amount under sub-section (5) of section 135 of the said Act. Hence, reporting under Paragraph 3 (xx)(a) and 3(xx)(b) of the Order are not applicable to the Company.
- (xxi) This is the audit report of standalone financial statements, hence, reporting under clause 3 (xxi) of the said Order in respect of qualifications or adverse remarks by the respective auditors is not applicable.

**"ANNEXURE B" TO THE INDEPENDENT AUDITORS' REPORT**

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **DEEPLOK FINANCIAL SERVICES LIMITED** ("the Company") as of 31st March, 2024 in conjunction with our audit of the Ind-AS Standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind-AS Standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind-AS Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind-AS Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind-AS Standalone financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Material Accounting Policies**

**1 General Information**

Deeplok Financial Services Limited (the 'Company') is a public limited Company, incorporated and domiciled in India. The equity shares of the Company are listed. The registered office of the Company is located at 11/1, Sarat Bose Road, South Block, 2nd Floor, Kolkata 700020, West Bengal, India.

The Company is Non Banking Financial Company having certificate of registration from RBI vide no-05.01925 and mainly engaged in investment in shares and securities.

The functional and presentation currency of the Company is Indian Rupee ("INR") which is the currency of the primary economic environment in which the Company operates.

The financial statements for the year ended 31 March 2024 were approved by the Board of Directors and authorised for issue on 29th May 2024.

**2 Material Accounting Policies**

The material accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements unless otherwise indicated.

**2.1 Presentation of financial statements**

The Balance Sheet, Statement of Profit and Loss and Statement of changes in Equity are prepared and presented in the format prescribed in the Division III of Schedule III to the Companies Act, 2013 ("the Act"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS. Amounts in the financial statements are presented in Indian Rupees in Lakh.

**2.2 Basis of preparation**

These financial statements have been prepared to comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act), Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016] and other relevant provisions of the Act.

The Company had been preparing its financial statements upto the year 31 March 2019, as per Companies (Accounting Standard) Rules, 2006 and other relevant provisions of the Act (hereinafter referred to as Previous GAAP/ Indian CAAP).

**2.3 Measurement of fair values**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

Fair value measurements under Ind AS are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- a) Level 1: inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at measurement date
- b) Level 2: inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- c) Level 3: inputs are unobservable inputs for the valuation of assets or liabilities that the Company can access at measurement date.

**2.4 Use of estimates and judgements**

The preparation of financial statements requires the management of the Company to make judgements, assumptions and estimates that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expenses for the reporting period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in the financial statements have been disclosed as applicable in the respective notes to accounts. Accounting estimates could change from period to period. Future results could differ from these estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

**2.5 Income Taxes:-**

The Company's tax jurisdiction is India. Significant judgements are involved in determining the provisions for income taxes including amount expected to be paid or recovered for uncertain tax positions.

**3 Summary of significant accounting policies**

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

**3.1 Financial Instruments**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

**i) Financial Assets**

**Subsequent Recognition**

The classification of financial assets depends on the Company's business model for managing financial assets and the contractual terms of cash flow.

The financial assets are classified in the following categories:

- a) Financial assets measured at amortised cost.
- b) financial assets measured at fair value through profit and loss (FVTPL), and
- c) financial assets measured at fair value through other comprehensive income (FVOCI).

**Material Accounting Policies**

**Financial assets measured at amortised cost**

Assets that are held for collection of contractual cash flows where those flows represent solely payments of principal and interest are measured at amortised cost. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate method. The losses arising from impairment are recognised in the Statement of Profit & Loss.

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method less provision for impairment, if any.

**Financial instruments measured at FVTPL**

Financial instruments included within FVTPL category are measured initially as well as at each reporting period at fair value plus transaction costs as applicable. Fair value movements are recorded in Statement of Profit & Loss.

**Financial assets at FVOCI**

Financial assets are measured at FVOCI if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Investment in Bonds(other than Tax free) and Mutual fund**

Investment in Equity Oriented Mutual Funds, Debt Oriented Mutual fund and Bonds(other than Tax free) are classified as FVTPL and measured at fair value with all changes recognised in the statement of profit and loss.

**Investment in Tax Free Bonds and Non- Convertible Preference Shares**

Investment in Tax Free Bonds and Non- Convertible Preference Shares are measured at Cost.

**Investment in Equity**

Investment in Equity are classified as FVTOCI and measured at fair value with all changes recognised in Other Comprehensive Income.

**Investments in Associates**

The Company has elected to measure Investment in associates at cost.

**Other Unquoted Equity Investments**

The Company has elected to measure Investment in Unquoted Equity Shares at cost.

**De- recognition of financial assets**

The company de- recognises a financial asset when the contractual rights to the cash flows for the financial assets expires or it transfer the financial assets and such transfer qualifies for de- recognition under Ind AS 109- Financial instruments.

All investments other than those disclosed otherwise are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and is written down immediately to its recoverable amount. On disposal of such investments, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

**Impairment of financial assets**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Only for Loans the implied approach of life time expected credit losses is recognised from initial recognition of the receivables as required by Ind AS 109- financial instruments.

Impairment loss allowance recognised / reversed during the year is charged / written back to Statement of Profit & Loss.

**Presentation of ECL allowance for financial asset:**

Type of Financial asset	Disclosure
Financial asset measured at amortised Cost	shown separately under the head "provisions" and not as a deduction from the gross carrying amount of the assets
Financial assets measured at FVTOCI	
Loan commitments and financial guarantee contracts	shown separately under the head "provisions"

Where a financial instrument includes both a drawn and an undrawn component and the Company cannot identify the ECL on the loan commitment separately from those on the drawn component, the Company presents a combined loss allowance for both components under "provisions".

**ii) Financial liabilities**

**Subsequent Measurement**

Financial liabilities are subsequently carried at amortized cost using the effective interest method.

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using effective interest method.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payment on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statement for issue, not to demand payment as a consequence of the breach.

For Trade and other payables maturing within one year from the balance sheet date, the carrying amount approximates fair value to short-term maturity of these instruments,

Handwritten signatures in blue ink at the bottom of the page.

**Material Accounting Policies**

**Derecognition of financial liabilities**

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire or it transfers the financial assets and such transfer qualifies for de-recognition under Ind AS 109- Financial Instruments. All investments other than those disclosed otherwise are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and is written down immediately to its recoverable amount. On disposal of such investments, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

**Offsetting Financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability subsequently. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in event of default, insolvency or bankruptcy of the company or the counter party.

**3.2 Income recognition**

**a) Interest income**

The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets. The Company recognises interest income by applying the EIR to the gross carrying amount of financial assets other than delayed payment interest (penal interest) levied on customers for delay in repayments/non payment of contractual cashflows is recognised on realisation.

**b) Recognition of revenue from sale of goods or services**

Revenue (other than for Financial Instruments within the scope of Ind AS 109) is measured at an amount that reflects the considerations, to which an entity expects to be entitled in exchange for transferring goods or services to customer, excluding amounts collected on behalf of third parties. Revenue from contract with customer for rendering services is recognised at a point in time when performance obligation is satisfied.

**c) Dividend Income**

Dividend income from investments is recognised when the shareholder's rights to receive payment have been established.

**3.3 Employee benefits**

**(a) Short-term obligations**

Liabilities for wages, salaries and other benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

**(b) Post employment obligations**

**Compensated absences**

Accumulated compensated absences which are expected to be availed or encashed or contributed within the 12 months from the end of the year are treated as short term employee benefits and the balances expected to be availed or encashed or contributed beyond 12 months from the year end are treated as long term liability and are accounted on undiscounted basis.

**Other short term employee benefits**

Short term employee benefits are recognised as an expenses as per the Company's schemes based on the expected obligation on an undiscounted basis.

**3.4 Property, Plant & Equipment:**

Property, Plant & Equipment are stated at their original cost less accumulated depreciation. Cost comprises cost of acquisition, cost of improvements, borrowing costs and any attributable cost of bringing the assets to the condition for its intended use. Costs also include direct expenses incurred upto the date of capitalization/ commissioning.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 01 April, 2019 measured as per the previous GAAP and use that carrying value as the deemed cost of all the property, plant and equipment.

**3.5 Depreciation**

Depreciation has been provided on written down value method in accordance with the useful life of assets prescribed under Schedule- II of the Companies Act, 2013.

**3.6 Cash and Cash Equivalents**

Cash and cash equivalents comprise of cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if any, as they are considered an integral part of the Company's cash management.

The image shows three handwritten signatures in blue ink. To the right of the signatures is a circular purple stamp. The stamp contains the text "I.B.S. & COMPANY" at the top, "KOLKATA" in the center, and "Chartered Accountants" at the bottom. There are also two small stars on either side of the word "KOLKATA".

**Material Accounting Policies**

**3.7 Provisions**

Provisions are recognised in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date.

**3.8 Income taxes**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

- Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

**3.9 Earnings per share**

Earnings per share is calculated in accordance with IND AS 33 on earnings per share. It is calculated by dividing the net profit or loss for the year attributable to equity share holders, by the weighted average numbers of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**3.10 Inventory**

The inventory consists of shares held for trading purpose and are measured as per "Ind AS-2 Inventories" at Cost or Net Realisable Value whichever is lower at the balance sheet date.

**3.11 Provisions, contingent liabilities and contingent assets**

Provisions are recognised only when:

- (i) an entity has a present obligation (legal or constructive) as a result of a past event; and
- (ii) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- (iii) a reliable estimate can be made of the amount of the obligation

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of:

- (i) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and

(ii) a present obligation arising from past events, when no reliable estimate is possible. Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

**Contingent Assets**

Contingent Assets are neither recognised nor disclosed. However, when realisation of the income is virtually certain, related asset is recognised

**3.12 Statement of Cash Flows**

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i. changes during the period in operating receivables and payables transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses, and undistributed profits of associates and joint ventures; and
- iii. all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

**3.13 Event after reporting date**

Where the events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

Handwritten signatures in blue ink, including a large signature on the left and smaller ones on the right, including one that appears to be 'Raj'.

**Terms/rights attached to equity shares**

The company has only one class of equity shares having a par value of Rs.10 per share. On a show of hands, every member, present in person or by proxy, is entitled to one vote and in case of poll, the voting rights of every member shall be in proportion to his shares of the paid-up equity share capital of the company.

The company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

<b>Total Financial Liabilities</b>	<b>-</b>	<b>-</b>	<b>-</b>	<b>-</b>	<b>-</b>	<b>-</b>

## B. Measurement of fair values

## (i) Fair Value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard.

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices.

**Level 2:** The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

## (ii) Valuation technique used to determine fair value

Management uses its best judgement in estimating the fair value of its financial instruments. The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgments to select a variety of methods and makes assumptions that are mainly based on market conditions existing at the end of each reporting period. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realised or paid in sale transactions as of respective dates. As such, fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

Specific valuation techniques used to value financial instruments include:

- the fair value of the financial instruments is determined using discounted cash flow analysis/ other method
- the use of quoted market price

(Amount in Rs.)

Particulars	31st March 2024			31st March 2023		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
<b>Financial assets:</b>						
Investments measured at FVTPL	7,401.04	-	-	6,687.32	-	-
Investments measured at FVOCI	891.63	-	-	652.54	-	-
<b>Total</b>	<b>8,292.68</b>	<b>-</b>	<b>-</b>	<b>7,339.86</b>	<b>-</b>	<b>-</b>

The carrying amounts of remaining financial assets and liabilities are considered to be the same as their fair values due to short term nature.

## Notes:

- There have been no transfers between Level 1 and Level 2 for the years ended March 31, 2024, March 31, 2023.
- Costs of certain unquoted equity instruments has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the best estimate of fair value within that range.

NOTES TO STANDALONE FINANCIAL STATEMENTS

Note No. : 24 Additional Disclosures (contd.)

17 Financial risk management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's financial risk management framework.

(A) Credit risk

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, bank balances and loans.

At each reporting date, the Company measures loss allowance for certain class of financial assets based on historical trend, industry practices and the business environment in which the Company operates.

Credit risk arising from balances with banks is limited because the counterparties are banks with high credit worthiness.

Credit risk arising from loans given/inter-corporate deposits (ICD) are limited due to the Borrower's profiles and historical experience of collection. All such ICDs are reviewed and assessed on a quarterly basis.

(B) Liquidity Risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The Company maintained a cautious liquidity strategy, with a positive cash balance throughout the year ended 31st March, 2024 and 31st March, 2023. Cash flow from operating activities provides the funds to service the financial liabilities on a day-to-day basis. The Company regularly monitors the rolling forecasts to ensure it has sufficient cash on an on-going basis to meet operational needs. Any short-term surplus cash generated, over and above the amount required for working capital management and other operational requirements, is retained as cash and cash equivalents (to the extent required) and any excess is invested in interest bearing NCDs, bonds and other highly marketable debt investments with appropriate maturities to optimise the cash returns on investments while ensuring sufficient liquidity to meet its liabilities.

(C) Market Risk

Market Risk is the risk of loss of future earnings/future cash flows that may result from a change in the price of a financial instrument. The price of a financial instrument may fluctuate because of changes in market prices, equity prices and other market changes that effect market risk sensitive instruments. The goal of market risk management is optimization of profit and controlling the exposure to market risk within acceptable limits.

(i) *Currency Risk* is not material, as the Company's primary business activities are within India and does not have any exposure in foreign currency.

(ii) *Interest Rate Risk* is the risk that the fair value or future cash flows of a financial instruments will fluctuate because of changes in market interest rates. The Company is not exposed to the interest rate risk due to its investment in fixed rate instruments which are being carried at cost and not subject to interest rate risk.

### INDEPENDENT AUDITOR'S REPORT

TO

THE MEMBERS OF

DEEPLK FINANCIAL SERVICES LIMITED

Report on the Audit of the Ind-AS Consolidated Financial Statements

#### Opinion

We have audited the accompanying consolidated financial statements of DEEPLK FINANCIAL SERVICES LIMITED ('the Parent Company') and its associates (the parent & its Associate together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31 March 2024, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of the material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India of the consolidated state of affairs of the company as at 31 March 2024, and their consolidated profit (including other comprehensive income), consolidated cash flows and the consolidated changes in equity for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind-AS Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind-AS Consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key audit matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Information other than the Ind AS Consolidated Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Return but does not include the Ind AS Consolidated Financial Statements and our Auditor's report thereon.

Our opinion on the Ind AS Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Management's Responsibility for the Ind-AS Consolidated Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind-AS Consolidated financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind-AS Consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind-AS Consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Ind-AS Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Ind AS Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of the material misstatement of the Ind AS financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS Consolidated Financial Statements, including the disclosures, and whether the Ind AS Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Other Matters**

We did not audit the financial statement and other financial information of an associates incorporated in India. The consolidated financial statements also include the share of profit of Rs.(in Lakhs) 507.95/-for the year ended 31 March, 2024, as considered in the Consolidated financial statements, in respect of an associates whose financial statements/financial information have not been audited by us and whose reports have been furnished to us by the Management and our opinion on the Consolidated financial statements , in so far as it relates to the amounts and disclosures included in respect of the associate and our report in terms of sub section (3) and (11) of section 143 of the Act , in so far as it relates to the aforesaid associate , is based solely on the reports of the other auditor.

Our Opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and reports of the other auditor and the Financial Statements/Financial Information certified by the Management.

Our Opinion is not modified in respect of this matter.

**Report on Other Legal and Regulatory Requirements**

1. Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, is not applicable on Consolidated Financial Statements as referred in proviso to Para 2 of the said order.
2. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) the consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
  - d) In our opinion, the aforesaid Ind-AS Consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015 as amended.
  - e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on the financial position in its Consolidated financial statements [Refer Note No. 24(1) to its Consolidated Financial Statements]
- ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses:
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

(A) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(B) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(C) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (A) and (B) above, contain any material misstatement.

- iv. The Company has neither declared nor paid any dividend during the year.

- v. The company has used such accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software and the audit trail feature has not been tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.

As provision to Rule 3(1) of the Companies (Accounts) Rules, 2014 is Applicable from April 1, 2023, reporting under Rule 11 (g) of the Companies (Audit & Auditors) Rules, 2014 on presentation of Audit Trail as per statutory requirement for record retention is not applicable for the financial year ended March 31, 2024.

3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us based on the audit report of the associate company by the other auditor, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act.

4. With respect to the other matters specified in clause (xxi) of Paragraph 3 and Paragraph 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/"CARO") Issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's Report. According to the information and explanation given to us, and based on the CARO reports issued by the respective auditor of its Associate Included in the Consolidated Financial Statements of the Company, to which reporting under CARO is applicable, we report that there are no qualification or adverse remarks in the CARO report of the component.

**"ANNEXURE A" TO THE INDEPENDENT AUDITORS' REPORT**

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **DEEPLOK FINANCIAL SERVICES LIMITED** ("the Company") as of 31st March, 2024 in conjunction with our audit of the Ind-AS Consolidated financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind-AS Consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind-AS Consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind-AS Consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind-AS Consolidated financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Material Accounting Policies**

**1 General Information**

Deeplok Financial Services Limited (the 'Company') is a public limited Company, incorporated and domiciled in India. The equity shares of the Company are listed. The registered office of the Company is located at 11/1, Sarat Bose Road, South Block, 2nd Floor, Kolkata 700020, West Bengal, India.

The Company is Non Banking Financial Company having certificate of registration from RBI vide no-05,01925 and mainly engaged in investment in shares and securities.

The functional and presentation currency of the Company is Indian Rupee ("INR") which is the currency of the primary economic environment in which the Company operates.

The financial statements for the year ended 31 March 2024 were approved by the Board of Directors and authorised for issue on 29th May 2024.

**2 Material Accounting Policies**

The material accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements unless otherwise indicated.

**2.1 Presentation of financial statements**

The Balance Sheet, Statement of Profit and Loss and Statement of changes in Equity are prepared and presented in the format prescribed in the Division III of Schedule III to the Companies Act, 2013 ("the Act"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS. Amounts in the financial statements are presented in Indian Rupees in Lakh.

**2.2 Basis of preparation**

These financial statements have been prepared to comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act), Companies ( Indian Accounting Standards ) Rules, 2015 and Companies ( Indian Accounting Standards ) Amendment Rules, 2016) and other relevant provisions of the Act.

The Company had been preparing its financial statements upto the year 31 March 2019, as per Companies (Accounting Standard) Rules, 2006 and other relevant provisions of the Act (hereinafter referred to as Previous GAAP/ Indian GAAP).

**2.3 Principles of consolidation**

(i) The consolidated financial statements of Deeplok Financial Services Limited and its associate have been prepared in accordance with the Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules 2015 as amended and notified under Section 133 of the Companies Act, 2013 ("the Act"), in conformity with the accounting principles generally accepted in India and other relevant provisions of the Act. The consolidated financial statements comprise the financial statements of the Company and its associate. Associates are the entities over which the Group has significant influence. Investment in associates are accounted for using the equity method of accounting, after initially being recognised at cost.

The Consolidated financial statements include results of the Associate of Deeplok Financial Services Limited (Parent Company), consolidated in accordance with Ind AS 110 'Consolidated Financial Statements'.

(ii)

Name of the Company	Country of incorporation	Proportion of ownership as at Reporting Date	Consolidated as
Woodside Fashions Limited	India	23.96%	Associate

Figures for preparation of consolidated financial statements have been derived from the audited financial statements of the respective company in the Group.

(iii) Disclosure in terms of Schedule III of the Companies Act, 2013

**2.4 Measurement of fair values**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

Fair value measurements under Ind AS are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- a) Level 1: inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at measurement date
- b) Level 2: inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- c) Level 3: inputs are unobservable inputs for the valuation of assets or liabilities that the Company can access at measurement date.

Handwritten signatures and initials in blue ink.

**Material Accounting Policies**

**2.5 Use of estimates and judgements**

The preparation of financial statements requires the management of the Company to make judgements, assumptions and estimates that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expenses for the reporting period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in the financial statements have been disclosed as applicable in the respective notes to accounts. Accounting estimates could change from period to period. Future results could differ from these estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

**2.6 Income Taxes:-**

The Company's tax jurisdiction is India. Significant judgements are involved in determining the provisions for income taxes including amount expected to be paid or recovered for uncertain tax positions.

**3 Summary of significant accounting policies**

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

**3.1 Financial Instruments**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

**i) Financial Assets**

**Subsequent Recognition**

The classification of financial assets depends on the Company's business model for managing financial assets and the contractual terms of cash flow.

The financial assets are classified in the following categories:

- a) Financial assets measured at amortised cost,
- b) financial assets measured at fair value through profit and loss ( FVTPL), and
- c) financial assets measured at fair value through other comprehensive income ( FVOCI).

**Financial assets measured at amortised cost**

Assets that are held for collection of contractual cash flows where those flows represent solely payments of principal and interest are measured at amortised cost. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate method. The losses arising from impairment are recognised in the Statement of Profit & Loss.

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method less provision for impairment, if any.

**Financial instruments measured at FVTPL**

Financial instruments included within FVTPL category are measured initially as well as at each reporting period at fair value plus transaction costs as applicable. Fair value movements are recorded in Statement of Profit & Loss.

**Financial assets at FVOCI**

Financial assets are measured at FVOCI if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Investment in Bonds (other than Tax free) and Mutual fund**

Investment in Equity Oriented Mutual Funds, Debt Oriented Mutual fund and Bonds (other than Tax free) are classified as FVTPL and measured at fair value with all changes recognised in the statement of profit and loss.

**Investment in Tax Free Bonds and Non- Convertible Preference Shares**

Investment in Tax Free Bonds and Non- Convertible Preference Shares are measured at Cost.

**Investment in Equity**

Investment in Equity are classified as FVOCI and measured at fair value with all changes recognised in Other Comprehensive Income.

**Investments in Associates**

The Company has elected to measure Investment in associates at cost.

**Other Unquoted Equity Investments**

The Company has elected to measure Investment in Unquoted Equity Shares at cost.

**De- recognition of financial assets**

The company de-recognises a financial asset when the contractual rights to the cash flows for the financial assets expires or it transfer the financial assets and such transfer qualifies for de- recognition under Ind AS 109- Financial instruments.

All investments other than those disclosed otherwise are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and is written down immediately to its recoverable amount. On disposal of such investments, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

**Impairment of financial assets**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Only for Loans the implied approach of life time expected credit losses is recognised from initial recognition of the receivables as required by Ind AS 109- financial instruments.

Impairment loss allowance recognised / reversed during the year is charged / written back to Statement of Profit & Loss.

Handwritten signatures in blue ink.

**Material Accounting Policies****Presentation of ECL allowance for financial asset:**

Type of Financial asset	Disclosure
Financial asset measured at amortised Cost	shown separately under the head "provisions" and not as a deduction from the gross carrying amount of the assets
Financial assets measured at FVTOCI	
Loan commitments and financial guarantee contracts	shown separately under the head "provisions"

Where a financial instrument includes both a drawn and an undrawn component and the Company cannot identify the ECL on the loan commitment separately from those on the drawn component, the Company presents a combined loss allowance for both components under "provisions".

**ii) Financial liabilities****Subsequent Measurement**

Financial liabilities are subsequently carried at amortized cost using the effective interest method.

Borrowings are initially recognised at fair value , net of transaction costs incurred . Borrowings are subsequently measured at amortised cost. Any difference between the proceeds ( net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using effective interest method.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payment on demand on the reporting date , the entity does not classify the liability as current , if the lender agreed, after the reporting period and before the approval of the financial statement for issue , not to demand payment as a consequence of the breach.

For Trade and other payables maturing within one year from the balance sheet date , the carrying amount approximates fair value to short- term maturity of these instruments.

**Derecognition of financial liabilities**

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire or it transfer the financial assets and such transfer qualifies for de- recognition under Ind AS 109- Financial instruments.

All investments other than those disclosed otherwise are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and is written down immediately to its recoverable amount. On disposal of such investments, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

**Offsetting Financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and the there is an intention to settle on a net basis or realise the asset and settle the liability subsequently. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in event of default , insolvency or bankruptcy of the company or the counter party.

**3.2 Income recognition****a) Interest income**

The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets

The Company recognises interest income by applying the EIR to the gross carrying amount of financial assets other

Delayed payment interest (penal interest) levied on customers for delay in repayments/non payment of contractual cashflows is recognised on realisation.

**b) Recognition of revenue from sale of goods or services**

Revenue (other than for Financial Instruments within the scope of Ind AS 109) is measured at an amount that reflects the considerations, to which

an entity expects to be entitled in exchange for transferring goods or services to customer, excluding amounts collected on behalf of third parties.

Revenue from contract with customer for rendering services is recognised at a point in time when performance obligation is satisfied.

**c) Dividend Income**

Dividend income from investments is recognised when the shareholder's rights to receive payment have been established.

**3.3 Employee benefits****(a) Short-term obligations**

Liabilities for wages, salaries and other benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

**(b) Post employment obligations****Compensated absences**

Accumulated compensated absences which are expected to be availed or encashed or contributed within the 12 months from the end of the year are treated as short term employee benefits and the balances expected to be availed or encashed or contributed beyond 12 months from the year end are treated as long term liability and are accounted on undiscounted basis.

**Other short term employee benefits**

Short term employee benefits are recognised as an expenses as per the Company's schemes based on the expected obligation on an undiscounted basis.

*[Handwritten signature]*

*[Handwritten signature]*  
*[Handwritten initials]*  
*[Handwritten initials]*

**Material Accounting Policies****3.4 Property, Plant & Equipment:**

Property, Plant & Equipment are stated at their original cost less accumulated depreciation. Cost comprises cost of acquisition, cost of improvements, borrowing costs and any attributable cost of bringing the assets to the condition for its intended use. Costs also include direct expenses incurred upto the date of capitalization/ commissioning.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 01 April, 2019 measured as per the previous GAAP and use that carrying value as the deemed cost of all the property, plant and equipment.

**3.5 Depreciation**

Depreciation has been provided on written down value method in accordance with the useful life of assets prescribed under Schedule- II of the Companies Act, 2013.

**3.6 Cash and Cash Equivalents**

Cash and cash equivalents comprise of cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if any, as they are considered an integral part of the Company's cash management.

**3.7 Provisions**

Provisions are recognised in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date.

**3.8 Income taxes**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

**3.9 Earnings per share**

Earnings per share is calculated in accordance with (NI) AS-20 on earnings per share. It is calculated by dividing the net profit or loss for the year attributable to equity share holders, by the weighted average numbers of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**3.10 Inventory**

The inventory consists of shares held for trading purpose and are measured as per "Ind AS-2 Inventories" at Cost or Net Realisable Value whichever is lower at the balance sheet date.

**3.11 Provisions, contingent liabilities and contingent assets**

Provisions are recognised only when:

- (i) an entity has a present obligation (legal or constructive) as a result of a past event; and
- (ii) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- (iii) a reliable estimate can be made of the amount of the obligation

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of:

- (i) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and

(ii) a present obligation arising from past events, when no reliable estimate is possible. Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

**Contingent Assets**

Contingent Assets are neither recognised nor disclosed. However, when realisation of the income is virtually certain, related asset is recognised

**3.12 Statement of Cash Flows**

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i. changes during the period in operating receivables and payables transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses, and undistributed profits of associates and joint ventures; and
- iii. all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

**3.13 Event after reporting date**

Where the events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

Terms/rights attached to equity shares

The company has only one class of equity shares having a par value of Rs.10 per share. On a show of hands, every member, present in person or by proxy, is entitled to one vote and in case of poll, the voting rights of every member shall be in proportion to his shares of the paid-up equity share capital of the company.

The company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

<b>Total Financial Liabilities</b>	<b>-</b>	<b>-</b>	<b>-</b>	<b>-</b>	<b>-</b>	<b>-</b>

## B. Measurement of fair values

## (i) Fair Value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard.

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices.

**Level 2:** The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

## (ii) Valuation technique used to determine fair value

Management uses its best judgement in estimating the fair value of its financial instruments. The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgments to select a variety of methods and makes assumptions that are mainly based on market conditions existing at the end of each reporting period. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realised or paid in sale transactions as of respective dates. As such, fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

Specific valuation techniques used to value financial instruments include:

- the fair value of the financial instruments is determined using discounted cash flow analysis/ other method
- the use of quoted market price

(Amount in Rs.)

Particulars	31st March 2024			31st March 2023		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
<b>Financial assets:</b>						
Investments measured at FVPL	7,401.04	-	-	6,687.32	-	-
Investments measured at FVOCI	891.63	-	-	652.54	-	-
<b>Total</b>	<b>8,292.68</b>	<b>-</b>	<b>-</b>	<b>7,339.86</b>	<b>-</b>	<b>-</b>

The carrying amounts of remaining financial assets and liabilities are considered to be the same as their fair values due to short term nature.

Notes:

- There have been no transfers between Level 1 and Level 2 for the years ended March 31, 2024, March 31, 2023.
- Costs of certain unquoted equity instruments has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the best estimate of fair value within that range.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Note No. : 24 Additional Disclosures (contd.)

17 Financial risk management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's financial risk management framework.

(A) Credit risk

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, bank balances and loans.

At each reporting date, the Company measures loss allowance for certain class of financial assets based on historical trend, industry practices and the business environment in which the Company operates.

Credit risk arising from balances with banks is limited because the counterparties are banks with high credit worthiness.

Credit risk arising from loans given/inter-corporate deposits (ICD) are limited due to the Borrower's profiles and historical experience of collection. All such ICDs are reviewed and assessed on a quarterly basis.

(B) Liquidity Risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The Company maintained a cautious liquidity strategy, with a positive cash balance throughout the year ended 31st March, 2024 and 31st March, 2023. Cash flow from operating activities provides the funds to service the financial liabilities on a day-to-day basis. The Company regularly monitors the rolling forecasts to ensure it has sufficient cash on an on-going basis to meet operational needs. Any short-term surplus cash generated, over and above the amount required for working capital management and other operational requirements, is retained as cash and cash equivalents (to the extent required) and any excess is invested in interest bearing NCDs, bonds and other highly marketable debt investments with appropriate maturities to optimise the cash returns on investments while ensuring sufficient liquidity to meet its liabilities.

(C) Market Risk

Market Risk is the risk of loss of future earnings/future cash flows that may result from a change in the price of a financial instrument. The price of a financial instrument may fluctuate because of changes in market prices, equity prices and other market changes that effect market risk sensitive instruments. The goal of market risk management is optimization of profit and controlling the exposure to market risk within acceptable limits.

(i) *Currency Risk* is not material, as the Company's primary business activities are within India and does not have any exposure in foreign currency.

(ii) *Interest Rate Risk* is the risk that the fair value or future cash flows of a financial instruments will fluctuate because of changes in market interest rates. The Company is not exposed to the interest rate risk due to its investment in fixed rate instruments which are being carried at cost and not subject to interest rate risk.
